

Alberta Pensions Services Corporation

President & Chief Executive Officer

Alberta Pensions Services Corporation (APS) guides the pension experience on behalf of Alberta's public sector pension plans by providing administrative services to more than 500 participating employers across Alberta. APS provides pension-related services to over 400,000 members and pensioners and manages receipts and disbursements of over \$6.3 billion in pension plan funds annually to and from employers, members, and other pension plans. APS pursues excellence in pension benefits administration, to serve those who serve Albertans.

The President & Chief Executive Officer (CEO) is accountable to the Board of Directors for providing leadership for all aspects of client relations, strategy, financial, and operational matters. The CEO establishes and nurtures effective working relationships with each of APS's clients, its sole shareholder and all external stakeholders. The CEO operates in a complex environment that requires balancing a variety of interests and views of all APS's stakeholders including its clients and sole shareholder - the Minister of Finance.

Recognized for excellence in client service, the successful candidate will also lead and provide strategic direction and guidance to APS which operates in a highly regulated, stakeholder-oriented, and risk management environment. With a mission to deliver outstanding, cost-effective pension administration services, you will set the path for the organization. Experienced in financial and risk management, ideally with exposure to pension services administration and government settings, you bring substantive success in establishing ongoing positive relationships with a broad range of external stakeholders, including government. In this role you will combine your financial, business, and governance acumen to achieve organizational priorities and to support client goals and objectives.
